Imarc, Amesbury MA
Senior Agency Front End Developer

2022 - 2024

- Led the development of pixel-perfect frontend experiences using Vue.js, JS, HTML5, CSS3, SCSS/LESS, Wordpress, APIs, Craft, Twig, Tailwind & Bootstrap.
- Focused on usability, accessibility, and extensibility, collaborating closely with backend engineers.
- Provided mentorship and empowerment to the frontend team.

Alpen Life, Madison, WI - Startup SaaS Platform
CTO/engineer/Project Manager

2020-2022

- Engineered and managed a Startup SaaS platform, overseeing mobile app design and development using Angular, Vue.js, Ionic, Cordova, and AWS.
- Successfully launched the platform in the market.

Moncur, Southfield, MI - Agency Developer

2018-2020

- Crafted frontend experiences using JS, HTML, SCSS, and Bootstrap on a proprietary CMS platform.
- Emphasized usability, accessibility, and extensibility.

Thorne, Sandpoint, ID - Technical Operations Manager

2014 - 2018

- Managed applicant vetting, interviewing, hiring, terminations, onboarding, SLAs, vendor negotiations, and team oversight.
- Demonstrated proficiency in sales, project management, and delegation.

Thorne, Sandpoint, ID - Internet Compliance Manager / Frontend Developer

2011 - 2014

- Oversaw legal aspects of digital assets, security, and compliance for the legal department.
- Managed compliance customer communication and online campaign enforcement.

Objective

Highly skilled Front-end Developer with a passion for creating impactful web experiences seeking remote positions in the Greater Denver area. Always keeping a keen eye on cross-browser compatibility, responsive mobile-first design, Atomic and BEM design systems, SEO friendly semantic coding, WCAG compliance and clean coding principles that allow the next developer to catch-up quickly; these are the factors that harness long-term success. My proficiency in frontend technologies and commitment to excellence will make me a valuable asset to your team.

Strengths

Teamwork: Proficient in collaborating with cross-functional teams, ensuring timely project delivery.

Communication: Champion of strong written and verbal communication, facilitating effective collaboration.

Initiative: Proactive problem solver with a methodical approach to tasks, ensuring rapid and precise delivery.

Continuous Improvement: Dedicated to learning and implementing new technologies, fostering professional growth.
